DAILY LIFE AT WRHS

ATTENDANCE – Students are expected to attend school regularly in order to obtain maximum benefit from their education and in order to develop habits of punctuality, self-discipline, and responsibility. There is a clear connection between good attendance, academic success and success after high school (see Attendance Policy page 13).

The preferred and most efficient way to report a student absence or tardy at WRHS is via the PowerSchool Parent Portal and should be done by 8:00 a.m. of the day in question. Parents and guardians can log into the PowerSchool Parent Portal through a web browser (<https://wrsd.powerschool.com>) or the PowerSchool Mobile App.

Additionally, parents or guardians can call (508) 829-6771, before 8:00 a.m. to report the student's absence or tardy and the reason for it. To report an absence upon the student's return to school, a note from the parent/guardian explaining the absence should be brought to the main office. A call will be made to each absent student's home if we are not contacted by a parent or guardian. Parents/guardians who have questions or need assistance with reporting an absence or late arrival through the PowerSchool Parent Portal can call the attendance secretary at (508) 829-6771 extension 5070 for assistance.

When a student misses 5 days during the school year due to unexcused absences, the parent/guardian will be contacted and a meeting will be held with the Principal or Principal's designee to develop action steps to address the student's attendance.

TARDY TO SCHOOL – Students are expected to be in first-period class at 7:35 a.m each school day and are not allowed to leave first-period class until after the pledge and/or announcements. Students arriving after 7:35 a.m, or designated start of school day, must sign in at the front door/main office and then report to their appropriate class. Students are allowed three tardies per quarter that must be verified by a note, phone call, or email to the student's administrator from a parent/guardian on that day or the next school day. All tardies beyond the three allowed per quarter will result in disciplinary action (see Student Management Code). All students in the building or on school grounds prior to the 7:35 a.m. bell, or designated start of school day, and who are late to period-one class will be sent to the Main Office to sign in and be considered tardy to school.

When a student misses 2 or more classes in 5 days during the school year due to unexcused tardies, the parent/guardian will be contacted and a meeting will be held with the Principal or Principal's designee to develop action steps to address the student's attendance.

TARDY TO CLASS – Two tardies to class (less than one-minute tardy) per quarter are tolerated. Each additional occurrence per quarter will be referred to administration and dealt with as defined by the Student Management Code.

DISMISSALS/SCHOOL DAY – Students who are dismissed must bring a note from their parent/guardian indicating their full name, grade, the date/time, phone number and reason for dismissal to the main office **before school**. Try to avoid dismissals during school hours. Phone dismissals are not allowed unless approved by an administrator. Students leaving campus without proper dismissal from the Main Office or the Health Office, will be considered truant.

Students being dismissed during long block study must seek approval from their administrator. The only exception is that seniors may apply for "Early Dismissal" if they have no classes scheduled during long block and the following period.

DISMISSAL PRIOR TO SCHOOL VACATION – When family obligations or other long-range plans conflict with school closing dates, students must inform their class administrator of their plans. Students must also make arrangements with their teachers to complete assignments missed during their absence. These absences are considered unexcused under the Attendance Policy.

MAKING UP WORK MISSED WHEN ABSENT – Students are allowed to make up work according to the following schedule when their absence from school is not the result of truancy:

- 1-day absence:** 2 school days to make up the work
- 2-day absence:** 4 school days to make up the work
- 3, 4, 5-day absence:** 1 school week to make up the work

More than one week's absence will be treated as a special case and arrangements must be made with each teacher. Students are responsible for making those arrangements and should obtain work from their school counselors during their absence.

In case of an absence that occurs on the day an assignment is due, the aforementioned schedule for make-up does not apply. In this case, work must be turned in immediately upon return from the absence. If absence is due to suspension, all work must be submitted one day after returning to school. Special circumstances will be treated on a case-by-case basis.

If a student is present during any part of the day that a long-term assignment is due, it is expected that the student submit that assignment to their teacher on that day. Students are responsible for all class assignments missed due to field trip participation and should make up their work in a timely way. Students should work this out with the classroom teacher prior to the trip.

WITHDRAWAL OR TRANSFER FROM SCHOOL – In order to withdraw or transfer from school, students must complete the necessary forms provided by the Counseling Office and sign out formally. Failure to do so will result in incomplete school records. Students are financially responsible for all books and materials issued to them and they must be returned to faculty/staff before the student withdraws.

VISITORS/VISITOR'S PASS – All visitors (including parents) must sign in at the main office and wear a "Visitor's Pass" that must be returned to the main office upon leaving.

STUDENT PASSES – Passes are required whenever students leave a classroom during a class period and can be checked by staff or administrators. Passes should include the student's name, date, time, destination, and the teacher signature. Students in the hall during a class period without a pass may result in disciplinary action.

STUDENT IDENTIFICATION CARDS – All students will be assigned to have their picture taken during the first week of school depending on their schedule. Picture retakes will occur at the end of October for those students that missed the original dates. Information to purchase pictures will be sent home in advance of these dates. In addition to allowing students/parents to order pictures from the photographer, each student will receive a student ID card. Students should have their ID on their person at all times and show it to any WRHS staff member when asked. There is a \$5 replacement fee for lost IDs. See the principal's secretary in the main office for a replacement ID.

CAFETERIA – Students will be scheduled for one 30-minute lunch period during which time they must remain in the cafeteria. All other areas are off limits during lunch and students may not leave campus during the lunch period without permission. **For the 2024-2025 school year, all students will be eligible for one free breakfast and one free lunch per day.** However, all additional breakfasts and lunches and snacks must be purchased at full price. Check prepayments for lunches are accepted, as well as cash. Make certain to include the student(s) name(s) and identification number(s) on the check. Students may make deposits during the school day, however, they are encouraged to do so **before school**. We also offer an online pre-payment system, for more information go to <https://wrsdschoolnutrition.com/>. With free meals being accessible to all students, there are no IOUs for any items. Students are not allowed to charge food to another student's account or allow other students to use their personal account. Remember that this is your school and your cafeteria. Be responsible with your food and beverage. Clean up after yourself or consequences may be assigned by the Administration. **All food and drinks must be consumed in the cafeteria or in a designated room during nutrition break.**

FOOD AND BEVERAGES – With the exception of the school cafeteria and in a designated room during nutrition break, the consumption of food and beverages anywhere in the building is prohibited during the school day; upon entering the school building until dismissal at 2:10 p.m. Classroom functions approved in advance by the Administration and clear bottled water will be allowed. Travel coffee mugs, juice, vitamin water and snacks are not allowed outside of the cafeteria or the designated room during nutrition break. The consequences of not following this rule are outlined in the Student Management Code.

BREAKFAST – Wachusett offers a complete breakfast that meets the USDA guidelines and includes items such as bagels, muffins, cereal, fruit, and will be open before school at 7:00 a.m. for breakfast.

LUNCH – Wachusett is committed to the District’s Nutrition and Wellness Policy. There are five stations serving lunch every day. Each station’s main entrée is served as a complete meal, which includes a choice of fruit, vegetable and milk. Each student will be allowed one free lunch per day but any additional purchases will be at the daily lunch price of \$4.50. Available at all serving lines are chips, cookies and drinks for an additional cost.

Milk - Milk is included with the purchase of a full breakfast or lunch. A la carte or additional milk purchases are .75 cents.

NUTRITION BREAK – Students are allowed time to have a small nutritious snack during the first five minutes of third period at which time morning announcements will be read. Students must bring their snack with them to class and will not be allowed to leave after the start of the period. The policy which states no food or drink (with the exception of clear water) outside of the cafeteria will not change other than this nutrition break. Abuse of this policy may result in a loss of privileges. Due to safety issues some areas may be excluded from this policy (i.e., science labs, gymnasium). Nutritious snacks are recommended such as fruit, breakfast bars, etc.

FIRE DRILLS/ALARM – Fire drills will take place throughout the year. Faculty and staff will direct students on how and where to exit the building when the fire alarm sounds. Directions for leaving each area are also posted. When the alarm sounds, follow the instructions given to you by faculty and staff members and leave the building quickly and quietly. Remain in the designated area until students have checked in with their teacher and are told to reenter the school. Upon reentering, all students must report directly back to the class they were in when the alarm sounded. The setting off of a false fire alarm is a criminal offense; offenders will be dealt with severely by school and local officials (see Student Management Code).

FIELD TRIPS – Field trips are designed to enrich the school curriculum and it is a privilege to participate in them. Administration may exclude students from participating in field trips due to behavior and/or academic reasons. Students are asked to contribute to the cost of field trips as well as complete and return a field trip permission form and health form, in order to participate. Students must notify their teachers of their upcoming absence from class as a result of their trip. Students are responsible for all class assignments missed due to field trip participation and should make up their work in a timely way. Plans to make up work should be discussed with the classroom teacher prior to the trip. During field trips, Wachusett Regional School District and Wachusett Regional High School rules are in effect at all times. In addition, the teacher in charge will have further instructions regarding student behavior.

TRANSPORTATION

AFTER SCHOOL – Students should only remain after school for scheduled student activities. We ask that while waiting for a ride, students should wait in either the cafeteria or outside of the building near the gym entrance or main office entrance. Any students found loitering elsewhere will be asked to leave the building and further consequences may be issued by administration. On the occasion that a student remains in the building after school for any other reason, a school administrator should be notified.

BUS POLICIES – Riding the school bus is a privilege. Students are expected not to interfere with the driver, other riders, or the safe operation of the bus. Failure to act responsibly may result in loss of this privilege, as well as discipline under the Student Management Code.

STUDENT PARKING – Only eligible students in Grade 12 may apply for a year-long Student Parking Permit. Rules associated with receiving a parking permit and reasons for losing it are included with the Parking Permit Application available on the school website. Students that have a pattern of disciplinary infractions may not be eligible for parking. All applications must be filled out completely and will be checked for accuracy and completeness.

A parking fee is charged and a sticker issued that **MUST** be visible on the student’s car as outlined on the parking application. Parking on campus is a privilege that can be revoked due to disciplinary or academic problems, unpaid fines, unsafe driving, unauthorized transfer or sale of a parking sticker to another student, or any abuse of the parking privilege. **Students who park without authorization or who violate parking regulations will be fined and/or towed at the owner’s expense.**

Limited parking spaces will be available to juniors and seniors only for one-day use at a cost of \$2 per day. A junior or senior may be issued up to ten one-day passes per quarter. Students requesting these spaces are strongly recommended to make requests at the Main Office in advance. Parking spaces cannot be guaranteed on the day of request. Plan ahead if you need to bring a car to school.

Administrators have the legal right to search students' cars given reasonable suspicion.

IDLING OF MOTOR VEHICLE – Massachusetts law prohibits the unnecessary idling of motor vehicles on school grounds. M.G.L. c.90, §16B prohibits operators of motor vehicles from allowing any motor vehicle to idle unnecessarily on school grounds except for any of the following reasons: traffic conditions; queuing at a school for the purpose of picking up or discharging students; turbo-charged diesel engine cool down or warm up; maintenance of appropriate temperature for school buses when accepting or discharging passengers not to exceed three minutes in any fifteen minute period or one minute in any fifteen minute period for other motor vehicles. Violators may be subject to a civil fine of up to \$100 may be imposed for a first offense and \$500 for second and subsequent offenses.

Students may not be dismissed early from an exam. If a student leaves an exam early, they will receive a grade of 0. See senior exam policy for any exceptions.

Make-up exams are allowed only with administrative approval. Upon receiving approval, it is the responsibility of the student to contact the teacher and arrange a time for the make-up exam. It is expected that make-up exams will be completed during exam week and/or scheduled make-up period that takes place the week following exams.

Exemptions - All requests for exemptions must start with the Director of School Counseling, the Department Head and the student's Administrator with final approval from the Building Principal.

EXEMPTION FROM FINAL EXAMS – Only seniors have the opportunity to be exempt from final exams at the end of the school year. In order to be eligible, they must have a quarter 3 and 4 (semester 2) average equal to or above 90%. Students will not receive an exemption if their attendance is in violation of the WRHS Attendance Policy.

NATIONAL HONOR SOCIETY – Wachusett is a charter member of the National Honor Society. Please see NHS selection criteria on page 14.

LOCKERS - All students will have the opportunity to request a locker and a lock, and should use only the locker subsequently assigned to them. Freshmen and new students will be assessed a \$5 locker fee should they choose to use a locker. Students are responsible for the condition of their locker and for its contents. Students will be assessed for any damage that is done to their locker. All belongings must be removed by the last day of school. If the lock is missing from the locker at any time, the student will be charged a \$10 replacement fee. Writing on lockers is strictly prohibited. Students are reminded that administrators have the legal right to search lockers and their contents, given reasonable suspicion (see Searches).

SCHOOL FACILITIES AND MATERIALS – Students are responsible for damage incurred to school property. Students will receive textbooks and other materials for all of their courses at WRHS. Check any book or piece of equipment for damage when it is issued to you and report it to the appropriate faculty or staff member. Students should write their name and year of issue in all textbooks that they receive.

Students should keep track of their books and materials and report any losses to an appropriate faculty or staff member. Check for lost books and materials at the Main Office. Students are responsible to pay the full replacement cost of any damaged or lost books, equipment or other school materials. Transcripts and graduation tickets will not be issued until these bills are paid.

EVENTS CALENDAR – Dances, plays, class activities, and other social events are held throughout the year. Applications for these events must be filed in the Main Office well in advance of the event. Final clearance for all events must be made through administration before they are included on the school's activity calendar.

CLASS DUES – Every student is responsible for class dues. Class dues fund some of the graduation expenses, as well as help defray the cost of other senior activities as well as future alumni events. Class dues are \$100 for all students present during their senior year. All students, whether participating in senior activities or not, are responsible for dues. It is recommended that students pay dues in yearly installments or in advance so as not to increase the financial burden at the end of senior year.

STUDENT ACTIVITIES – Students are encouraged to participate in extracurricular activities at WRHS. There are a number of activities outside the traditional classroom and students are welcome to participate. If a student is absent during the day the student may not attend extra curricular activities without approval from administration. See the Wachusett homepage for an up-to-date list of activities.

ATHLETICS – There are many varsity, junior varsity, and freshman athletic teams at WRHS. Varsity teams are open to all and tryouts are held prior to each of the three sports seasons. Beyond the eligibility requirements for WRHS teams (see *Educational Guide*), our athletic organizations are under the jurisdiction of the Massachusetts Interscholastic Athletic Association (MIAA). All coaches will review the Wachusett and MIAA rules on eligibility at the beginning of the season. These rules must be adhered to or student will be ineligible and/or contests forfeited. If a student is absent during the day the student may not attend athletic practices or competitions without approval from administration.

ATHLETIC FEE – The Wachusett Regional School District Committee has voted that each student on an athletic team must pay a fee of \$250 or \$350 per family for each season (fall, winter, spring) that they participate in a sport. The fee is due from each athlete prior to the first interscholastic athletic contest scheduled for that sport. The fee may be paid online or by check or money order, made payable to the Wachusett Regional School District. Students who do not pay the fee will be ineligible to participate. Students may apply for free or reduced fees based upon need.

STUDENT ATHLETE CONCUSSION POLICY – WRHS has established the following Concussion Protocol for all student-athletes competing in our interscholastic programs. All students, coaches, and parents are expected to be familiar with its contents.

Any student-athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health-care professional.

If it can be determined during a contest by the school's health care professional (this person must be a Medical Doctor, Doctor of Orthopedics, or Certified Athletic Trainer) that an athlete removed from play does not have a concussion and is cleared to play, then that student-athlete may be allowed to re-enter the competition. If the health care professional does not clear the athlete for return to the contest, then the athlete must adhere to the following ***Return-to-Play Protocol***:

1. Only a Medical Doctor, Doctor of Orthopedics, Physician's Assistant or Nurse Practitioner working under a Medical Doctor or Doctor of Orthopedics, may clear the athlete for return to competition.
2. The clearance must be in writing.
3. The clearance may not be on the same date on which the athlete was removed from play.

"AWAY" CONTEST PROTOCOL – It is important to note that students, coaches, and parents are held to the same procedures and guidelines regarding concussion protocol when they compete on the road at "away" athletic events. In the event that the opposing school does not have an MD, OD, or Certified Athletic Trainer on staff, the student who sustains a possible concussion is "done for the day." They will not be cleared to re-enter the contest. Coaches and parents do not have the authority to clear a student-athlete for re-entry to a contest.

MANDATED FREE ONLINE CONCUSSION COURSE – Massachusetts state law currently requires that parents and legal guardians take a free online course to familiarize themselves with the signs and symptoms of a concussion. The course will also discuss proper response to a suspected concussion, return to play protocols, and suggestions for the prevention of sports-related head injuries. The Wachusett Regional High School Athletic Department highly encourages student-athletes to take this course as well. The course may be accessed at www.nfhslearn.com

PHYSICAL EXAMS FOR ATHLETES – According to MIAA guidelines, all students participating in interscholastic athletic contests must have had a physical examination within thirteen months prior to participation. Physical exams are only valid thirteen months to the day of the exam and must be renewed to continue participation even if it is in the middle of a season. WRHS schedules an optional physical examination date in the summer. The cost of the physical is \$20 payable to Wachusett Regional School District at the time of the exam.

SPECTATOR SPORTSMANSHIP GUIDELINES FOR ATHLETIC EVENTS – Athletics at Wachusett Regional High School are considered an extension of the classroom. As such, we strive to achieve a high degree of sportsmanship at our athletic contests. It is the responsibility of the district to teach and model good behavior and to maintain a safe and orderly environment at all times. Spectator conduct that is identified, at the discretion of the school administration (or designated supervisor) as profane, inappropriate or disorderly, or any behavior that interferes or threatens to interfere with the event, shall result in the following:

•**Warning:** a warning may be issued if the behavior is considered inappropriate. Warnings do not have to be given if the behavior is considered profane or if it has interfered with the operation of a game from an administrator/supervisor's, coaches' or officials' perspective.

•**Ejection:** spectators will be removed from the event should their behavior disrupt the operation of the game or is considered profane. Spectators that have been warned previously regarding inappropriate behavior shall be removed should the inappropriate behavior continue.

•**Suspension:** a spectator that has been removed from an event may have their privileges revoked for a period of time. This period of time will be determined by the school administration.

For behavior that is severe in nature or for failure to follow the directives of the administration or event supervisor, law enforcement officials will be contacted. Violation of sportsmanship guidelines may result in additional consequences by school administration.

RELEASE OF HEALTH RECORDS TO GRADUATING SENIORS – As per Massachusetts Department of Education Educational Law 603 CMR 23.06(3), each graduating student's complete health record will be released to the student. At WRHS, we provide records to seniors on "Cap & Gown" day. **This is the only copy of the student health record and should be securely filed at home.** This information will be needed for entrance into colleges and the workforce. If the student does not pick up their health record on this day, it may be obtained in our Health Office for five (5) school days after graduation. Records remaining in the Health Office after the five days will be destroyed. Records may be picked up by the student, parent/guardian, or designee. A designee must be appointed in writing by the student or parent/guardian.

POSTERS – Permission to hang posters must be secured through an administrator who will review and initial all posters and notices before they are posted. All posters/notices must be in good taste and those who put them up must take them down immediately after the event. Approved posters should be posted on cinderblock walls, glass or cork strips. Outdated, damaged or posters placed without administrative approval or placed in areas other than those that are designated, will be removed.

LOST AND FOUND – All articles found should be taken to the Main Office where they may be claimed. Items are discarded periodically throughout the year.

STOLEN PROPERTY – Locks are issued for students to use on their school locker. In addition to securing these lockers, students are strongly recommended to obtain their own locks to secure their physical education locker. If a student does not have a lock for PE, they may give their valuables to their teacher. Occasionally items are stolen, and students should promptly report the theft to their administrator and/or PE teacher if this occurs. When personal items are stolen, students should also fill out a report with the Holden Police Department. Wachusett Regional High School assumes no responsibility for lost or stolen items.

STUDENT PUBLICATIONS – Wachusett Regional High School supports student publications and generally maintains the free speech rights of students in such publications. However, final editorial control of such publications is in the hands of the school administration (WRSC Policy P6515).

MEDICATION – If a student requires medication, including over-the-counter medications, they must secure written orders from their doctor before medication may be given or taken in school. All medications must be brought to the Health Office for storage and distribution. These written orders and medications must be kept on file in the Health Office. If a student carries medication on their person without school approval, the student may be subject to disciplinary action potentially leading to expulsion from school.

PHYSICAL EDUCATION MEDICAL EXCUSES – Students are expected to participate in physical education classes. Only students with a written note from their doctor may be excused from physical education classes. Students must file their doctor's note with the Health Office within two weeks of the restrictive impairment.

IMPORTANT LOCATIONS

MAIN OFFICE/ADMINISTRATION – The Main Office (room A101) and Counseling Department (room A111) are located at the main entrance of the building.

COUNSELING SERVICES – The Counseling Department is staffed by the Director of School Counseling, eight school counselors, one school adjustment counselor, three school psychologists, and two full-time secretaries. Services include, but are not limited to; providing academic, career and personal/social support and development to students, delivering a school counseling curriculum, academic advising, coordinating individual student planning and meeting immediate needs and concerns by providing responsive services, making referrals for additional assistance and consulting and collaborating with parents, teachers, administrators and community resources.

MEDIA CENTER – The Media Center (room C105) is open from 7:00 a.m. to 3:30 p.m. It contains both print and electronic resources. Other computer laboratories throughout the school can access similar information through our network environment.

HEALTH OFFICE – The Health Office (room H101) is located on the first floor near the stairs leading to the gym. Medical treatment consists of first aid for injuries and care for students who become ill during school hours. Parents/guardians of students who need to leave school during the day because of illness will be contacted in order to arrange transportation for the student. Students going to the Health Office must have a pass and sign in and out of the office with the Health Office secretary. Students should not visit the Health Office during passing period except for emergencies. Please respect those who truly need services and go there only when necessary.

STUDENT MANAGEMENT POLICIES

All members of the Wachusett community are expected to be good citizens by treating themselves and others with respect. Students are expected to use open and effective communication skills to address issues as they develop, using parents, peers, counselors, teachers, the resource officer and administrators as resources when appropriate. There are clear behavioral expectations and consequences for student violations. Please refer to the Student Management Code for a more detailed list.

CHEMICAL VIOLATION – Any use, consumption, possession, distribution, in the presence of illegal consumption or possession, or sale of any alcohol, drug, tobacco product, nicotine dispensing product or any controlled substance is in violation of school policy and students are subject to discipline outlined in the Student Management Code. These violations are also applicable to student athletes under M.I.A.A. Rule 62.1 and will result in team suspensions. These infractions will also be applicable to any student involved in extracurricular activities and will result in a suspension from those activities.

The WRHS Administration reserves the right to administer a breathalyzer test to any student suspected of consuming or possessing alcohol during the school day or at any school-sponsored event.

SEARCHES – Wachusett Regional School District authorities may exercise their rights to conduct a search of student cars, lockers, desks, or the student's person given reasonable suspicion. Lockers and desks remain, at all times, the property of the District.

A warrantless search (non-emergency) of a student's school locker or articles carried upon the student's person, may be conducted if there is a reasonable suspicion that the search is necessary to protect the health and/or safety of students and staff, or to detect a violation of school rules. Such a search may be conducted if school authorities suspect that a student possesses such items as, but not limited to, weapons, dangerous instruments, stolen goods, tobacco and tobacco products, nicotine dispensing products, narcotics, hallucinogens, amphetamines, barbiturates, marijuana, unregistered drugs, drug paraphernalia, controlled substances, alcoholic beverages, or evidence of cheating or other academic misconduct.

BULLYING AND HARASSMENT – Wachusett Regional School District and the Commonwealth of Massachusetts have strict regulations regarding bullying and harassment. Under no circumstances is this behavior tolerated.

Violation of this policy will result in disciplinary action in accordance with WRSD Policies #P1000, #6438, and Massachusetts General Law, Chapter 71, Section 37o. Instances of bullying and harassment, which occur both in and out of school, may result in a criminal investigation pursuant to M.G.L. c. 71 §37o.

For more information refer to Policy #P1000 and #6438 on the district website at www.wrsd.net

HAZING – See Commonwealth of Massachusetts General Laws on Hazing contained within the Wachusett Regional School District Policies in this handbook.

WRHS Chromebook - Students will be issued a WRHS Chromebook for use for the school year. Students will be required to bring the WRHS Chromebook to school, fully charged, on a daily basis. Students will use their WRHS Chromebooks as directed by their classroom teacher. **Students will not be allowed to use their own personal computer during the school day.** If a student's Chromebook is lost, stolen or damaged, the student is responsible for contacting the IT department for a replacement.

ELECTRONIC DEVICES – Student use of personal electronic devices (including but not limited to: cell phones, headphones/earbuds, wearable technology, etc.) will be allowed with specific limits during the school day.

Students will be allowed to use electronic devices and make phone calls prior to the start of school at 7:27 a.m. Once the 7:27 a.m. bell rings, phone calls can no longer be made or accepted on cell phones. Any phone calls after 7:27 a.m. must go through the main office or through the student's administrator. If a student has an emergency and needs to access a cell phone, that student should see their administrator.

Once the bell rings to begin class, all personal electronic devices (including but not limited to: cell phones, headphones/earbuds, wearable technology, etc.) must be silenced (not on vibrate) and cell phones will be put in a space provided by the classroom teacher. Headphones, earbuds, etc need to be put out of sight and not worn. Unless otherwise directed by the teacher, cell phones will remain in this predetermined area throughout the entirety of the class period. Students will not be able to take their cell phones with them if they leave class to go to the bathroom, locker, etc.

Students are allowed to use personal electronic equipment in a non-disruptive manner (texting, etc.) before and after school, during lunch, study hall, and passing periods. Cell phones and other personal electronic devices are prohibited from being used during class (unless teacher directed) and in the school bathrooms.

Personal electronic device use should not cause disruption, infringe on the rights of other students or cause students to be late to class. Examples of such disruptive behaviors include but are not limited to loud music, photos, videos, etc.

WRSD DRESS / PERSONAL ATTIRE – Neatness, cleanliness, and appropriateness are the keystones of school dress and appearance in the Wachusett Regional School District. Personal dress and appearance may not violate reasonable standards of health, safety, cleanliness, and may not result in disruption or disorder within the school.

The WRSD Dress Code for school and school functions hopes to achieve three goals:

- 1. *Promote a respectful learning environment.***
- 2. *Promote a safe learning environment where dress does not interfere with the successful and safe completion of learning activities.***
- 3. *Promote an equitable and inclusive learning environment in which the dress code does not negatively impact any group based on race, sex, gender identity, sexual orientation, national origin, ethnicity, religion, disability, socio-economic status, and/or body type/size.***

The responsibility of proper dress and grooming rests primarily with the student and his/her/their parents or guardians. We ask that students and parents/guardians work to ensure that the goals outlined above are being met with the student's school dress attire.

Hoods, except those worn in relation to required religious practice or with prior administrative approval due to a disabling condition, may not be worn within the school building as such headwear interferes with the identification of students and presents safety concerns. Sunglasses are not to be worn inside the building except with medical authorization and prior approval of the school administration.

Offensive clothing can sometimes be subjective to the individual; however, students should be aware that if symbols, words, or pictures on clothing cause, or are reasonably forecast to cause, a substantial disruption of the school environment, they will be asked to remove and replace the offensive clothing. Offenders may be subject to other disciplinary action as well. To this end, we ask that students and parents be considerate of how dress choices affect the safety and comfort of others. Clothing may not depict, advertise, or advocate the use of alcohol, tobacco, marijuana or other controlled substances, and weapons.

In addition, a student's personal dress and appearance must comply with any and all applicable state and federal health and safety regulations, especially while attending a lab or shop.

SOCIAL EVENTS – WRHS students may be required to show their school IDs in order to enter event sites. Wachusett students may be excluded from participating in social events based upon behavioral and academic performance. All students attending social events may be subjected to a breathalyzer test and must adhere to all school rules.

SCHOOL DANCE POLICY - The following dance conduct policy is designed to promote a safe, respectful, and inclusive environment at WRHS dances. All student guests for dances must be pre-approved by administration.

DANCE CONDUCT EXPECTATIONS - Please note that these expectations apply both on and off the dance floor. Sexually suggestive dancing may result in: the student being removed from the event, the student not being allowed to attend the next dance, and parent notification.

The dance rules are as follows:

- No front to back touching/grinding
- No straddling legs
- No bending over
- No touching of the breasts, buttocks, or genitals
- Both feet must remain on the floor
- Hands between waist and shoulders only
- No "making out"(overt and/or prolonged public displays of affection)

DUE PROCESS – WRHS student management policies are based upon a firm belief that all students have a right to a quality education and that this right should not be infringed upon in any way. Administrators are here to help students if a problem arises. Under school rules, all students at WRHS are guaranteed due process.

Definitions:

Expulsion: the removal of a student from the school premises, regular classroom activities, and school activities for more than ninety (90) consecutive school days.

In-School Suspension: the removal of a student from regular classroom activities, but not from the school premises, for no more than ten (10) consecutive school days, or no more than ten (10) school days cumulatively for multiple infractions during the school year. **Removal solely from participation in extracurricular activities or school-sponsored events, or both, shall not count as removal in calculating cumulative days of suspension.*

Long-Term Suspension: the removal of a student from the school premises and regular classroom activities for more than ten (10) consecutive school days, or for more than ten (10) school days cumulatively for multiple disciplinary offenses in any school year. Removal solely from participation in extracurricular activities or school-sponsored events, or both, shall not count as removal in calculating school days.

Written Notice: Written correspondence sent by hand-delivery, certified mail, first-class mail, email to an address provided by the parent/guardian for school communications, or any other method of delivery agreed to by the principal and the parent.

Principal: The primary administrator of the school or the Principal's designee for disciplinary purposes.

In-School Suspension: Prior to the imposition of an In-School Suspension, the student will be informed of the disciplinary offense and provided with an opportunity to respond. If the principal determines that the student committed the disciplinary offense, the principal will provide oral notice to the student and parent of the length of the In-School Suspension and will make reasonable efforts to meet with the parent. On or before the day of the In-School Suspension, the principal will deliver written notice to the parent of the basis for and length of the in-school suspension and invite the parent to meet to discuss the student's behavior if such a meeting has not already occurred.

Emergency Removal under Section M.G.L. c. 71 §37H3/4: The principal may remove a student from school temporarily when a student is charged with a disciplinary offense and the continued presence of the student poses a danger to persons or property, or materially and substantially disrupts the order of the school, and in the principal's judgment there is no alternative available to alleviate the danger or disruption. M.G.L. c. 71 §37H3/4

Out-of School Suspension: In the case of disciplinary offenses not involving: a) possession of a dangerous weapon; b) possession of a controlled substance; c) assault on a member of the educational staff; or d) a felony charge or felony delinquency complaint or conviction, the student and parents will be given oral and written notice of the disciplinary offense with which the student is charged and the opportunity to participate in a hearing prior to the imposition of an out-of-school suspension. Written notice of the date and time for the hearing will be provided in English and in the primary language of the student's home and will identify the disciplinary offense with which the student has been charged, the basis for the charge, the potential length of the student's suspension, and shall inform the parent and student of the right to interpreter services if necessary to participate in the hearing. Where a student may be subject to a Long-Term Suspension, the Principal will also notify the student and parent of the student's right to legal representation (at private expense), the right to present and examine witnesses, the right to review the student's record and documents that may be relied upon by the Principal, and the right to request that the hearing be audiotaped.

For disciplinary offenses involving: a) possession of a dangerous weapon; b) possession of a controlled substance; c) assault on a member of the educational staff; or d) a felony charge or felony delinquency complaint or conviction, the student will be given oral notice of the violation with which the student is charged and an opportunity to respond thereto prior to the Principal's imposition of a short-term/interim suspension ten (10) consecutive school days or less pending formal disciplinary proceedings. Upon imposition of a short-term or interim suspension or an interim suspension of ten (10) consecutive days or less pending further disciplinary proceedings, the student and parents will be provided with written notice of the suspension and the date and time of any formal disciplinary proceedings to consider the student's long-term suspension or expulsion.

In accordance with M.G.L. c. 71, § 37H3/4 and 603 CMR 53.08(3)(d)(5) disciplinary decisions made by the principal's designee for any discipline other than long-term suspensions are not subject to appeal.

Principal's Hearing:*Short-Term Suspension:*

At the Principal's hearing, the student and parents (if participating) may dispute the charge(s) against the student and present information, including mitigating facts, for the principal's consideration in determining consequences for the student. Short term suspensions cannot be appealed.

Long-Term Suspension:

In addition to the rights afforded a student in a short-term suspension hearing, the student will have the following rights:

- the right of the student and the student's parent to interpreter services at the hearing if needed to participate;
- the right to be represented by counsel or a lay person of the student's choice, at the student's/parent's expense;
- the right to review the student's record and the documents upon which the Principal may rely in making a determination to suspend the student or not;
- the right to produce witnesses on their behalf and to present the student's explanation of the alleged incident;
- the right to cross-examine witnesses presented by the school district;
- the right to request that the hearing be recorded by the Principal, and to receive a copy of the audio recording upon request.

Principal's Decision:

Based on the evidence presented at the hearing, the Principal will determine whether the student committed the disciplinary offense and the remedy or consequences to be imposed. The Principal shall exercise discretion in deciding the consequence for the offense and, in cases not involving possession of a controlled substance, a weapon, an assault on staff or felony charges, shall avoid using long-term suspension from school as a consequence until alternatives have been tried. If the Principal decides to suspend or expel the student, written notice of the Principal's decision will be sent to the student and parents in English and the primary language of the home identifying the disciplinary offense, the factual basis for the Principal's decision, the beginning and end dates of the suspension or expulsion, and the process for appeal regarding long-term suspensions and expulsions. The Principal will also notify the student and parent of the student's opportunity to make academic progress during the period of removal from school in accordance with M.G.L. c. 76, §21.

Appeals:

Where the student is excluded in accordance with M.G.L. c.71 §37H, the student shall have ten (10) calendar days from the effective date of the exclusion to file a written appeal with the Superintendent of Schools. For exclusions imposed pursuant to M.G.L. c.71 §37H1/2, the student shall have five (5) school days from the effective date of the exclusion to file a written appeal with the Superintendent. And for exclusions imposed pursuant to M.G.L. c.71, §37H3/4, the student shall have five (5) calendar days from the effective date of the suspension imposed by the Principal but shall be granted an extension of seven (7) calendar days upon request.

Academic Progress:

Any student who is serving an in-school or out-of-school short-term suspension, long-term suspension, or expulsion shall have the opportunity to earn credits, as applicable, make up assignments, tests, papers, and other school work as needed to make academic progress during the period of the student's removal from the classroom or school. Any student who is expelled or suspended from school for more than ten (10) consecutive days, whether in school or out of school, shall have an opportunity to receive education services and to make academic progress toward meeting state and local requirements, in accordance with the school's education service plan. M.G.L. c.76, §21.

STUDENTS WITH DISABILITIES – Students who have been identified as students with disabilities in accordance with the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act or who the school has reason to know might be eligible for special education services are entitled to additional procedural protections when a disciplinary long-term suspension or exclusion is considered. In many cases, a student with a disability will be entitled to services identified by the student's Team as necessary to provide the student with a free appropriate public education during periods of disciplinary long-term suspension or exclusion exceeding ten (10) school days in a given year. For additional information regarding the rights of students with disabilities in the context of school discipline, please contact the Principal or the Director of Special Education.

All students are expected to meet the standards of behavior as set by the Wachusett community. Chapter 71B of the Massachusetts General Laws and I.D.E.A. 1997 require that additional provisions be made for students who have been found by an evaluation team to have special needs and whose program is described in an Individual Education Plan (I.E.P). The following additional requirements apply to the discipline of special needs students:

1. The Principal (or his designees) will notify the Special Education Office of any special needs students who have been suspended. The Director of Special Education will keep these suspensions on record.

2. When it becomes known that a special needs student will be suspended for more than ten (10) days in a school year:
 - a. services will be provided in order to ensure that the student receives FAPE, and
 - b. a functional behavioral assessment will be conducted and a behavioral intervention plan will be implemented, and
 - c. the team will conduct a manifestation determination in order to decide whether the infraction related to the student's disability and, if the team finds that the behavior is a manifestation of the disability, the District may not suspend the student.

APPEALS – Students are also provided with an avenue of appeal in cases where they feel student management policies were not justly applied. A student charged by a teacher with an offense may appeal the decision to their administrator.

CONSEQUENCES FOR VIOLATIONS OF SCHOOL RULES (see Student Management Code for details) – When school rules are violated, the following may be implemented:

- **Academic Penalty** – For each class a student cuts or is truant, a grade of zero will be given for any work/assessment issued or due that day.
- **Detentions** – Detention hall is typically held after school from 2:20-3:20 p.m. Monday-Thursday. Students who arrive after 2:20 p.m. will not be allowed into detention. Only the administrator who originally assigned the detention may give students permission to reschedule a detention. Deadlines to complete detentions are at the discretion of the Principal or designee.
- **Social Suspension** – Students who violate school policy may be temporarily removed from participation in attending athletic events, extracurricular activities and/or school-sponsored events. Administration reserves the right to revoke grade appropriate privileges including but not limited to late entry/early dismissal, and parking.
- **School Service** – Students who violate school policies may be assigned to perform school service in place of other penalties. Such service may include projects that assist in the operation of the school community.
- **Saturday Detention** – Saturday detention will be held at Wachusett from 8:00 a.m. to 11:30 a.m., from September through June. An administrator will be present while students make use of their time through academics and school service. Transportation is not provided. Deadlines to complete Saturday detentions are at the discretion of the Principal or designee.
- **In-School Suspension** – Students who violate the school policy, and at the discretion of the administrator, may be assigned in-school suspension in accordance with the due process procedures set forth above.
- **Out-of-School Suspension** – In certain circumstances, it may be necessary to suspend students from attending school. These instances involve serious disruptions of the school community, or when other forms of discipline do not appear to be effective. For the duration of an out-of-school suspension, students may not visit the campus or attend any school-related events except to participate in alternative education services in accordance with the School's Education Services Plan. At the conclusion of an out-of-school suspension, a student's parent(s)/guardian(s) must have a discussion with the student's administrator and reach agreement on conditions for the student's readmission to the Wachusett school community.
- **Juvenile Courts** – The administration will use the court system to work with students who are habitual school offenders or with students who have excessive absences from school.
- **Behavioral Contracts** – In order to address inappropriate behaviors on the part of individual students, some students and their parents/guardians will be required to sign contracts outlining specific behaviors expected of students and the consequences that will follow if these behavioral expectations are not met before the student may continue at WRHS.
- **Long-term Suspension or Exclusion/Expulsion** – will be used as a disciplinary measure in extreme and chronic behavioral situations. This may include situations such as possession/use of weapons; assault; possession, sale or use of an illegal substance; or other serious offenses.

VIOLATIONS OF ACADEMIC INTEGRITY

All students' academic work must reflect their own honest efforts. Cheating and plagiarism in any form will not be tolerated. This includes, but is not limited to copying homework, papers, lab reports, quiz or test answers; acquiring or disseminating quizzes or tests before they are administered; or using information from the Internet or other outside sources without proper attribution.

Any student known to have cheated will be subjected to penalties, up to receiving "0" for the work. Possible penalties will be made known to each class by the teacher and will be included in the course syllabus.

Students who collaborate with others in cheating by allowing their papers to be copied or by other means will be subjected to penalties commensurate with their involvement, which may include the student receiving “0” for the work or suffering significant grade reduction.

While AI has been a fixture in modern life for many years, it has recently become imperative that the high school set expectations and parameters for its use. While traditional forms of AI can be used in a positive manner to increase efficiency, the aim of this new policy is to limit and control the use of generative AI. Generative AI, such as ChatGPT, is able to produce content (written, audio, visual) which bypasses the creative functions of its users. Similar to the school’s policy on plagiarism, students at WRHS are responsible for submitting their own work, displaying their own understanding, knowledge and creativity. Like with plagiarism, teachers will be monitoring the use of AI within their classroom and student work. **It is the responsibility of the student to prove that AI was not used** by showing the evolution of their work through outlines, drafts, editing, proper citations, etc. If the student admits to using AI or cannot sufficiently defend the authenticity of their work, the consequence will be the same as plagiarism.

In all cases, the principal or the class administrator along with the department head and teacher will be informed about both the incident and the penalty imposed, and the parent/guardian will be notified. The administration reserves the right to impose other penalties up to and including removal from the course, removal from honor societies, and loss of eligibility for scholarships with “honor” as criteria.

ATTENDANCE POLICY

The law pertaining to school attendance is outlined in Chapter 76 of the General Laws of Massachusetts, and clearly prohibits unexcused school absence. Therefore, these absences shall be considered irresponsible student behavior.

It is the intent of this policy, within the spirit of The Education Reform Act and The Time on Learning Guidelines, to hold students accountable for their attendance. Because poor student attendance will affect credits earned, the Attendance Policy is included here for ready referral by parents, students and staff.

I. ATTENDANCE POLICY

A. Students who are absent will not receive individual course credit as follows:

1. Full-year courses (5 credits) - sixteen (16) classes missed
2. Semester courses (2.5 credits) - eight (8) classes missed
3. Every other day semester courses (1.25 credits) - six (6) classes missed

B. Students who miss more than one half (1/2) of a class will be charged with one (1) full absence

C. Transfers

1. Students who transfer into Wachusett Regional High School from another school system shall receive a prorated number of absences.
2. Students who transfer into a class within the same department will carry over the number of classes missed.
3. Students who transfer classes outside of a department will receive a prorated number of absences.

II. ABSENCES

A. **Excused Absences** are the only absences that do not impact loss of credit.

1. Excused absences include: bereavement, religious holidays, court dates, documented chronic medical conditions, long term illness with a doctor’s note, medical and dental appointments, documented college visits, school-sponsored field trips/events (if all work assigned is completed upon the student’s return to class).
2. The Attendance Review Committee may request third party substantiation of the above circumstances (i.e., note on doctor’s stationary, documentation from a court). These must be provided immediately upon the student’s return to school.

B. **Unexcused Absences**

1. All other absences will count towards a student’s accumulated total and potential loss of credit (i.e., home sick, family vacations).

III. STUDENTS' RESPONSIBILITIES

- A. Students enrolled at Wachusett Regional High School are expected to be present each time their classes meet.
- B. Students absent from school must have a parent/guardian report the absence and the reason for it on the day of the absence or submit a note to the attendance secretary immediately upon their return to school.
 - 1. The note must indicate the date(s) of absence, reason for absence, and must be signed by the student's parent or guardian.
 - 2. The note does not excuse the absence. The note verifies the absence.
 - 3. Students and parents/guardians are responsible for making and keeping copies of the above-mentioned documentation. (For absences to be considered excused, refer to Section II, A 1 & 2).
- C. Students with a diagnosed, chronic medical condition should have documentation from their physician on file with their class administrator **at the start of each school year**. Each absence related to a diagnosed, chronic medical condition may require documentation from a physician throughout the school year.

IV. FACULTY'S RESPONSIBILITIES

- A. Teachers will record all absences and tardies in PowerSchool for each student.
- B. Teachers will report to the class administrator, in a timely manner, all students who have reached half of the allowed absences for a warning letter to be sent home. Then, when the maximum absence limit for a course is reached, they will report that to the class administrator for consideration of credit withdrawal.

V. ADMINISTRATORS' RESPONSIBILITIES

- A. Upon teacher notification, a letter will be sent home to the parent if the child has four (4) or more absences in a semester course or eight (8) or more absences in a full-year course. Copies of the letter will be given to the student's teachers and also the student's administrator.
- B. Class administrators will issue parent notification letters when the halfway point has been reached.
- C. When a student misses five (5) days during the school year due to unexcused absences or misses two (2) or more classes in five (5) school days due to unexcused tardies, the parent/guardian will be contacted and a meeting will be held with the student's administrator to develop action steps to address the student's attendance.
- D. When a student reaches the maximum limit, the student will be informed in a meeting with the class administrator. An attendance hearing will be held with the student's administrator. Parents/guardians will be notified in the event of any loss of credit. Parents/guardians have five days to request a hearing.
- E. Class administrators will inform the student's teachers of the decisions made by the Attendance Review Board.

VI. REVIEW PROCESS

- A. Students will receive written notification from their administrator to share with their parents when they reach the maximum absence limit.
- B. Parents/guardians must respond within five (5) school days from the date of the notification to request a hearing. In a case where there are fewer than five (5) school days remaining in a semester or school year, the hearings must be requested before the commencement of final exams and midterm exams.
- C. Parents/guardians who request a hearing will go before an Attendance Review Committee consisting of the student's class administrator and the student's school counselor.
- D. The Attendance Review Committee will evaluate the documentation and circumstances and decide upon maintaining loss of credit or restoring lost credit.

VII. APPEALS PROCESS

- A. Parents/guardians have the right to appeal the Attendance Review Committee's decision in writing to the Principal within five (5) school days. The decision of the Principal is final.

VIII. CREDIT LOSS/RESTORATION

- A. Courses are successfully completed and credit granted when the student:
 1. Earns a passing grade
 2. Fulfills the attendance requirement
- B. Credit Loss
 1. In a course where a student fails to receive credit because of excessive absences, the graduation credit requirement will not be considered fulfilled.
- C. Credit Restoration
 1. Credits lost due to absences may be restored by written agreement with the Attendance Review Committee. A student may successfully complete the same or similar course(s) at an evening school, summer school or local college. Students cannot restore credit by taking a course the same school year (for a year-long course) or the same semester (for a semester-long course).

NATIONAL HONOR SOCIETY FACULTY COUNCIL SELECTION CRITERIA

Faculty Council Role: Selection and dismissal of members

- Selection for membership to the chapter is to be by a majority vote of the Faculty Council.
 - Selection is based on a prerequisite GPA, Student Activity Forms, and may ask for teacher recommendations.
 - Evaluations are expected to be used by the Faculty Council, adviser, and the principal and should be considered confidential unless local or state policies dictate to the contrary.
 - Selection Guidelines:
 - Candidates must have attended the school the equivalent of one semester;
 - A cumulative GPA is to be used to determine scholastic eligibility;
 - All four criteria must be considered in the selection process, though the local Faculty Council determines the weight that any individual criterion receives.
- Contributes ideas that improve the civic life of the school
 - Is able to delegate responsibilities
 - Exemplifies positive attitudes
 - Inspires positive behavior in others
 - Demonstrates academic initiative
 - Successfully holds school office or position of responsibility; conducts business effectively and efficiently; demonstrates reliability and dependability
 - Is a leader in the classroom, at work, and in other school or community activities
 - Is thoroughly dependable in any responsibility accepted
 - Is willing to uphold scholarship and maintain a loyal school attitude

Scholarship: *average B or 85%*

Leadership

The leadership criterion is considered highly important for membership selection. Some Faculty Councils may wish to interpret leadership in terms of the number of offices a student has held in school or community organizations, although it is important to recognize that leadership also exists outside elected positions including effective participation in other co-curricular activities offered on campus. Other Faculty Councils may define leadership in less objective terms. Leadership roles in both the school and community may be considered provided they can be verified.

The student who exercises leadership:

- Is resourceful in proposing new problems, applying principles, and making suggestions
 - Demonstrates initiative in promoting school activities
 - Exercises positive influence on peers in upholding school ideals
- Volunteers and provides dependable and well organized assistance, is gladly available, and is willing to sacrifice to offer assistance
 - Cheerfully and enthusiastically renders any requested service to the school
 - Is willing to represent the class or school in inter-class and inter-scholastic competition
 - Does committee and staff work without complaint
 - Participates in some activity outside of school, for example, Girl Scouts, Boy Scouts, religious groups, volunteer service for the elderly, poor, or disadvantaged
 - Mentors persons in the community or student at other schools
 - Shows courtesy by assisting visitors, teachers, and students

Service

Service is generally considered to be those actions undertaken by the student, which are done with or on behalf of others without any direct financial or material compensation to the individual performing the service. In considering service, the contributions this candidate has made to school, classmates, and community, as well as the student's attitude toward service can be reviewed.

The student who serves:

Character

Character is probably the most difficult criterion to define. The Faculty Council should consider the positive as well as the negative aspects of character. All judgments in this and other selection criteria should be free of speculation and rumor. A person of character demonstrates the following six qualities: respect, responsibility, trustworthiness, fairness, caring, and citizenship.

The student of character:

- Takes criticism willingly and accepts recommendations graciously
- Consistently exemplifies desirable qualities of behavior (cheerfulness, friendliness, poise, stability)
- Upholds principles of morality and ethics
- Cooperates by complying with school regulations concerning property, programs, office, halls, etc.
- Demonstrates the highest standards of honesty and reliability
- Regularly shows courtesy, concern, and respect of others
- Observes instructions and rules, is punctual, and faithful both inside and outside the classroom
- Has powers of concentration, self-discipline, and sustained attention as shown by perseverance and application to studies
- Manifests truthfulness in acknowledging obedience to rules, avoiding cheating in written work, and showing unwillingness to profit by the mistakes of others
- Actively helps rid the school or bad influences or environment

A closer look at NHS...

To be inducted into Wachusett's National Honor Society a student must:

1. be a junior or a senior
2. have and maintain an *unweighted* average of 85.0
3. have strong leadership
4. complete community service
 - *at least 25 hours of diverse service (Not all hours should be from one event, place, etc)
5. have good character

Students who are eligible to apply will receive a letter in the fall and have the opportunity to submit an application. Once letters are mailed, eligible students will have the opportunity to pick up both the application, scoring rubric, and a copy of the by-laws from a designated area. Eligible students will be given a hard deadline to turn in their applications and all relevant documents. Students will be provided the opportunity to ask two teachers to provide a reference. Teachers will also be given a list of all applicants and will provide feedback regarding character.

Applications will then be reviewed by a Faculty Council. The Faculty Council will use a rubric in order to rate the criteria listed above.

Once inducted, members will be expected to do the following:

- *maintain an unweighted GPA of 85.0
- *complete ten hours of service per semester
- *complete all NHS monthly service projects
- *mentor incoming freshmen (attend Orientation in August and meet with freshmen during activity periods)
- *provide tutoring two times per semester
- *attend all NHS monthly meetings (first Tuesday of each month)

The Wachusett Regional School District complies with the requirements of Massachusetts statutes and regulations governing the use and reporting of physical restraint in schools. M.G.L. c. 71, § 37G; 603 CMR 46.00. Physical restraint is defined as direct physical contact that prevents or significantly restricts a student's freedom of movement. Physical restraint does not include: brief physical contact to promote student safety, providing physical guidance or prompting when teaching a skill, redirecting attention, providing comfort, or a physical escort.

Physical restraint is considered an emergency procedure of last resort and may be used only when: (a) the student's behavior poses a threat of assault, or imminent, serious, physical harm to self and/or others; and (b) less intrusive interventions are ineffective or deemed to be inappropriate under the circumstances. Physical restraint in a public education program shall be limited to the use of such reasonable force as is necessary to protect a student or another member of the school community from assault or imminent, serious, physical harm. Physical restraint is prohibited in the following circumstances: (a) as a means of punishment; or (b) as a response to property destruction, disruption of school order, a student's refusal to comply with a school rule or staff directive, or verbal threats that do not constitute a threat of imminent, serious, physical harm.

In the event that a physical restraint is administered, the parents/guardians will be notified orally within twenty-four (24) hours of the restraint and shall be provided with a written Restraint Report within three (3) school days of the restraint. 603 CMR 46.06.

The Notice shall set forth in plain language:

- A. the disciplinary offense;
- B. the basis for the charge;
- C. the potential consequences, including the potential length of the student's suspension;
- D. the opportunity for the student to have a hearing with the principal or principal's designee concerning the proposed suspension, including the opportunity to dispute the charges and to present the student's explanation of the alleged incident, and for the parent/guardian to attend the hearing;

- F. the right of the student and student's parent/guardian to interpreter services at the hearing if needed to participate;

The principal, or principal's designee, shall make reasonable efforts to notify the parent/guardian orally of the opportunity to attend the hearing. Reasonable effort is presumed if the principal or principal's designee sent written notice and documented at least two (2) attempts to contact the parent/guardian in the manner specified by the parent/guardian for emergency situations.

All written communications regarding notice of proposed suspension shall be either by hand delivery or delivered by first-class mail, certified mail, or email to the address provided by the parent/guardian for school communications (or other method agreed to by the principal/principal's designee and parent/guardian) in English, and in the primary language in the home if other than English, or other means of communication where appropriate.

SHORT-TERM SUSPENSIONS: HEARING AND DETERMINATION

A short-term suspension is the removal of the student from the school premises and regular classroom activities for ten (10) consecutive school days or less. Out-of-school short-term suspensions which do not cumulatively over the course of the school year exceed ten (10) school days of suspension shall be conducted in accordance with this section.

Principal's Hearing. The purpose of the hearing with the principal or the principal's designee for such purposes, is to hear and consider information regarding the alleged incident for which the student may be suspended, provide the student an opportunity to dispute the charges and explain the circumstances surrounding the alleged incident, determine if the student has committed the disciplinary offense, the basis for the charge, and any other pertinent information. The student shall have an opportunity to present information, including mitigating facts. A parent/guardian present at the hearing shall have the opportunity to discuss the student's conduct and offer information, including mitigating circumstances. Under applicable regulations, students do not have a right to be represented by an attorney at a short-term suspension hearing.

Based on the available information, including mitigating circumstances, the principal or principal's designee will make a determination whether the student committed the disciplinary offense, and if so, the consequence. The principal or principal's designee will provide notification in writing of his/her determination and provide reasons for the determination. If the student is suspended, the principal/principal's designee

shall inform the parent/guardian of the type and duration of the suspension, and shall provide an opportunity for the student to make up assignments and other school work as needed to make academic progress during the period of removal. If the student is in grades pre-k through 3, the principal/principal's designee shall send his/her determination to the superintendent and explain the reasons prior to imposing an out-of-school suspension, before the short-term suspension takes effect. Students do not have the right to appeal a short-term suspension imposed in accordance with M.G.L. c. 71, § 37H3/4 and 603 CMR 53.00.

LONG-TERM SUSPENSIONS: HEARING AND DETERMINATION

A long-term suspension is the removal of a student from the school premises and regular classroom activities for more than ten (10) consecutive school days, or for more than ten (10) school days cumulatively for multiple disciplinary offenses in any school year. The purpose of the hearing with the principal or principal's designee is to hear and consider information regarding the alleged incident for which the student may be suspended, to provide the student an opportunity to dispute the charges and explain the circumstances surrounding the alleged incident, to determine if the student has committed the disciplinary offense, the basis for the charge, and any other pertinent information. The student shall have an opportunity to present information, including mitigating facts, that the principal or principal's designee will consider in determining whether alternatives to suspension such as loss of privileges, detention, an apology, a student contract, restitution, and/or probation are appropriate.

Additionally, the student shall have the following additional rights:

- i. In advance of the hearing, the opportunity to review the student's record and the documents upon which the principal or principal's designee may rely in making a determination to suspend the student or not;
- ii. the right to be represented by counsel or a lay person of the student's choice, at the student's and/or parent's/guardian's expense;

- iv. the right to request that the hearing be recorded by the principal or principal's designee. All participants shall be informed that the hearing is being recorded by audio. A copy of the audio recording will be provided to the student or parent/guardian upon request.

Based on the evidence submitted at the hearing the principal/principal's designee shall make a determination as to whether the student committed the disciplinary offense, and, if so, after considering mitigating circumstances and alternatives to suspension (the use of evidence-based strategies and programs, such as mediation, conflict resolution, restorative justice, and positive interventions and supports) what remedy or consequence will be imposed. If the principal/principal's designee decides to impose a long-term suspension, the written determination shall:

- i. Identify the disciplinary offense, the date on which the hearing took place, and the participants at the hearing;
- ii. Set out key facts and conclusions reached by the principal/principal's designee;
- iii. Identify the length and effective date of the suspension, as well as a date of return to school;
- iv. Include notice of the student's opportunity to receive a specific list of education services to make academic progress while suspended, and the contact information of a school member who can provide more detailed information.
- v. The long-term suspension will remain in effect unless and until the superintendent/superintendent's designee decides to reverse the principal's/principal's designee's determination on appeal. If the student is in grades pre-k through grade 3, the principal/principal's designee shall send his/her determination to the superintendent and explain the reasons prior to imposing an out-of-school suspension, whether short-term or long-term, before the suspension takes effect. All written communications regarding the hearing and principal's/designee's determination shall be either hand delivery or delivered by first-class mail, certified mail, or email to the provided by the parent/guardian for school communications (or other method agreed to by the principal/principal's designee and parent/guardian) in English, and in the primary language in the home if other than English, or by other means of communication where appropriate.

A good faith effort shall be made to include the parent/guardian at the hearing. The appeal shall be held within three (3) school days of the appeal, unless the student or parent/guardian requests an extension of up to seven (7) additional calendar days, which the superintendent shall grant.

The student and parent/guardian shall have the same rights afforded at the long-term suspension principal hearing. Within five (5) calendar days of the hearing the superintendent or superintendent's designee shall issue his/her written decision which meets the criteria required of the principal's determination. If the superintendent or superintendent's designee determines the student committed the disciplinary offense, the superintendent/designee may impose the same or a lesser consequence than that of the principal. The decision of the superintendent/superintendent's designee on the student's appeal shall constitute the final decision of the school district with regard to the student's long-term suspension.

EMERGENCY REMOVAL

A student may be temporarily removed prior to notice and hearing when a student is charged with a disciplinary offense within the scope of M.G.L. c. 71, § 37H3/4 and the continued presence of the student poses a danger to persons or property, or materially and substantially disrupts the order of the school and, in the principal's/principal's designee's judgment, there is no alternative available to alleviate the danger or disruption. The temporary removal shall not exceed two (2) school days, following the day of the emergency removal. During the emergency removal the principal/designee shall make immediate and reasonable efforts to orally notify the student and student's parent/guardian of the emergency removal and the reason for the emergency removal. The principal/designee may not remove a student from school on an emergency basis for a disciplinary offense until adequate provisions have been made for the student's safety and transportation. The principal/designee shall also provide the due process requirements of written notice for suspensions and provide for a hearing which meets the due process requirements of 603 CMR 53.08 within the two (2) school day time period, unless an extension of time for the hearing is otherwise agreed to by the principal/principal's designee, student, and parent/guardian.

DISCIPLINE AND STUDENTS WITH DISABILITIES

All students are expected to meet the requirements for behavior as set forth in this handbook. In addition to those due process protections afforded to all students, the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973 and the regulations issued pursuant to said statutes require that additional provisions be made for:

Students who have been found eligible for special education services under the IDEA.

Students who the school district knows or has reason to know might be eligible for special education services. The school is deemed to have knowledge that a student is a student with a disability if before the behavior that precipitated the disciplinary action occurred: (1) the student's parent/guardian expressed concern in writing to supervisory or administrative personnel, or the student's teacher, that the student is in need of special education and related services; (2) the student's parent/guardian requested an evaluation of the child; or (3) the student's teacher, or other school personnel, expressed specific concerns directly to the director of special education or to other supervisory personnel about a pattern of behavior demonstrated by the student.

The school is not deemed to have knowledge of a disability if (1) the parent/guardian has not allowed an evaluation or has refused special education and related services, or (2) the child has been evaluated and determined not to be a child with a disability.

Students who have been found to have a disability that substantially limits a major life activity, as defined under §504 of the Rehabilitation Act of 1973.

These students are generally entitled to increased procedural protections prior to imposing discipline that will result in the student's removal for more than ten (10) consecutive school days or where there is a pattern of short term removals that exceed ten (10) school days in a given year.

If a request is made for an evaluation of a student's eligibility for special education services during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. If the student is subsequently found eligible, then he/she receives all procedural protections subsequent to the finding of eligibility.

The following additional requirements apply to the discipline of students with disabilities:

Students with disabilities may be excluded from their programs for ten (10) school days or less in the school year to the extent that such sanctions would be applied to all students. Before a student with a disability can be excluded from his/her program for more than ten (10) consecutive days in a given school year or subjected to a pattern of removal constituting a "disciplinary change of placement," building administrators, the parents/guardians, and relevant members of the student's IEP or 504 Team will meet to determine the relationship between the student's disability and behavior (Manifestation Determination).

If building administrators, the parents/guardians, and relevant members of the student's IEP or 504 Team determine that the student's conduct was not a manifestation of the student's disability, the school may discipline the student in accordance with the procedures and penalties applicable to all students but will

continue to provide a free appropriate public education to those students with IEPs. The student's IEP Team will identify the services necessary to be provided in addition to any services to which the student is entitled through the school's Education Services Plan so as to ensure the student's free appropriate public education during the period of exclusion, review any existing behavior intervention plan or, where appropriate, conduct a functional behavioral assessment of the student. Eligible Section 504 students shall be entitled to receive alternative education services in accordance with the school's Education Services Plan during any suspension or expulsion in excess of ten (10) consecutive days.

If building administrators, the parents/guardians, and relevant members of the student's IEP or 504 Team determine that the conduct giving rise to disciplinary action was a manifestation of the student's disability, the student will not be subjected to further removal or exclusion from the student's current education program for the incident of misconduct (except for conduct involving weapons, drugs, or resulting in serious bodily injury to others) until the IEP or 504 Team develops, and the parents/guardians consent to, a new placement, or unless the school obtains an order from a court or from the Bureau of Special Education Appeals (BSEA) or a court authorizing a change in the student's placement. The student's Team shall also review, and modify as appropriate, any existing behavior intervention plan or arrange for a functional behavioral assessment.

If a student with a disability possesses or uses illegal drugs, sells or solicits a controlled substance, possesses a dangerous weapon on school grounds or at a school function, or causes serious bodily injury to another on school grounds or at a school function, the school may place the student in an interim alternative educational setting (IAES) for up to forty-five (45) school days regardless of whether the conduct was a manifestation of the student's disability. A court or BSEA Hearing Officer may also order the placement of a student who presents a substantial likelihood of injury to self or others in an appropriate interim setting for up to forty-five (45) school days.

Consistent with the requirements of the McKinney-Vento Act, the District also does not discriminate against students on the basis of homelessness.

The Superintendent shall designate at least one administrator to serve as the compliance officer for the District's non-discrimination policies in education-related activities, including but not limited to responding to inquiries related to Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act; the Age Act; M.G.L. c. 76, § 5; M.G.L. c. 151B and 151C; and 603 C.M.R. § 26.00. Inquiries about the application of Title IX to the District may be referred to the District's Title IX Coordinator, to the Assistant Secretary of the U.S. Department of Education, or both.

The Wachusett Regional School District's policy of nondiscrimination will extend to students, staff, the general public, and individuals with whom it does business; no person shall be excluded from or discriminated against in employment, admission to a public school of the District or in obtaining the advantages, privileges, and courses of study of such public school on account of race, color, sex, gender identity, religion, national origin, sexual orientation, pregnancy or pregnancy status, age, homelessness, disability or immigration status.

In addition to designating at least one administrator to handle inquiries regarding the District's non-discrimination policies, the Superintendent shall adopt and publish one or more grievance procedures for addressing reports of discrimination, harassment and retaliation under the protected classes identified in this policy. The student and personnel handbooks and grievance procedures shall identify the name, office address and telephone number for the compliance officer(s) for the above-referenced statutes. This policy and related grievance procedures shall be posted on the District's website.

POLICY 1020 NON-DISCRIMINATION ON THE BASIS OF DISABILITY

The Wachusett Regional School District believes that individuals with disabilities are integral members of the school community.

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 requires that no qualified individual with a disability shall be excluded from participation in, or be denied the benefits of the services, programs, employment opportunities, and activities of the school district or be subject to discrimination in District programs. Similarly, no school district shall exclude or otherwise deny services, programs, or activities to an individual because of the known disability of a person with whom the individual is known to have a relationship or association. The Wachusett Regional School District complies with the ADA and Section 504 of the Rehabilitation Act.

Definition: A "qualified individual with a disability" is an otherwise qualified individual, determined through an individualized process to have a physical or mental impairment that substantially limits one or more major life activities and who, with or without reasonable modification to rules, policies, or practices, the

removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by the District.

Reasonable Modification: The District shall make reasonable modification in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability or, in case of eligible students, to ensure a free appropriate public education as defined under Section 504 of the Rehabilitation Act.

Communications: The District shall take the appropriate steps to ensure that communications with applicants, participants, students, and members of the public with disabilities are as effective as communications with non-disabled individuals. To this end, the District shall furnish appropriate auxiliary aids and services where necessary to afford an individual with a disability an equal opportunity to participate in, and enjoy benefits of, a service, program, or activity conducted by the District. In determining what type of auxiliary aid or service is necessary, the District shall give primary consideration to the requests of the individuals with disabilities. Any decision that, in compliance with its responsibility to provide effective communication for individuals with disabilities, would fundamentally alter the service, program, or activity or unduly burden the District shall be made by the District's appointed ADA Coordinator after considering all resources available for use in funding and operating the program, service, or activity. A written statement of the reasons for reaching that conclusion shall accompany the decision.

Auxiliary Aids and Services: "Auxiliary aids and services" includes, but are not limited to: (1) qualified interpreters, note-takers, transcription services, written materials, assisted listening systems, and other effective methods for making aurally delivered materials available to individuals with hearing impairments; (2) qualified readers, taped texts, audio recordings, Braille materials, large print materials, or other effective methods for making visually delivered materials available to individuals with visual impairments; (3) acquisition or modification of equipment or devices; and (4) other similar services and actions.

Limits of Required Modifications: The District is not required to take any action that it can demonstrate would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

Notice: The District shall make available to applicants, participants, students, beneficiaries, and other interested persons information regarding the provisions the ADA and Section 504 of the Rehabilitation Act and the applicability of those statutes to the services, programs, or activities of the District. The information shall be made available in such a manner as the School Committee and Superintendent find necessary to apprise such persons of the protections against discrimination assured them by the ADA and/or Section 504.

Compliance Coordinator: The District shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under the ADA and Section 504 of the Rehabilitation Act, including any investigation of any complaint communicated to it alleging its noncompliance or alleging any actions that would be prohibited under the ADA and/or Section 504. The District shall make publicly available the name, office address, and telephone number of the employee(s) so designated and shall adopt and publish procedures for the prompt and equitable resolution of complaints alleging any action that would be prohibited under the ADA and/or Section 504.

The program also shall include information about effective techniques and skill development for delaying and abstaining from using, as well as skills for addressing peer pressure to use alcohol, tobacco, or drugs.

person, may be conducted if there is a reasonable suspicion that the search is necessary to protect the health and/or safety of students and staff, or to detect a violation of school rules. Such a search may be conducted if school authorities suspect that a student possesses such items as, but not limited to, weapons, dangerous instruments, stolen goods, narcotics, hallucinogenics, amphetamines, barbiturates, marijuana, unregistered drugs, controlled substances, alcoholic beverages, or evidence of cheating or other academic misconduct.

Student Suspensions. The Wachusett Regional School District shall ensure that each pupil has an atmosphere and an environment which is conducive to teaching and learning. To that end, schools shall maintain programs which maximize opportunities for learning and minimize disruptions to the educational process. The District's first concern shall be to help maintain pupils in school so that their learning process is not interrupted.

Students who create discipline problems which cannot be resolved through less severe means shall be suspended. As a last resort, the District shall, at the discretion of the school principal, and following the required due process, deny a pupil the right to attend school for a period not to exceed ten (10) days.
